Sycamore Park District Brief History

A bit of later park history is revealed

SYCAMORE — Reading through the old minutes of the Sycamore Park District is interesting. It's educational to read how the park district evolved. Following is an extract of the minutes as recorded park development from conception through Feb. 1, 1926:

"On May 20, 1924, the Sycamore Park Board received title to what is now known as the Sycamore Park and six weeks later, or less than 18 months ago began the first work of developing it and in less than five months had secured a flowing well, made a swimming pool, planted over 250 trees and a large amount of shrubbery, etc. The drives and walks had been graveled, the tennis courts and golf grounds were nicely started.

During the year 1925 there was erected a bath house, tool house and other buildings at a cost of over \$2,000 and a diving tower and two suspension bridges costing over \$1,000, the drinking fountain, of which

we are all proud, furnished by the Sycamore Woman's Club at a cost of nearly \$500. Improvements on the tennis courts and golf grounds about \$500 each, a

· See LATER, Page 11

DAVID F. PHILLIPS, CIPFA SENIOR VICE PRESIDENT/ DIRECTOR OF MARKETING

LIENTE ABLE VELETIES

Later

Continued from page 10

large part of this was paid by the tennis and golf clubs. The city water has been extended to the tourist camp in the west end of the park at a cost of over \$600. The maintaining of the lawns, drives, walks, leveling grounds planting over 150 evergreen trees also a large amount of shrubs and doing other necessary work about the park over \$5,000, making the total expenditure of over \$10,000.

In the amounts shown above is included the material donated by Holcomb Bros. for the tool house also the wire cable for the bridges by the American Steel and Wire Co. and the amount paid by the tennis club to complete the tennis courts. These amounts do not appear in the financial report of the secretary but should be included in improvements made for the year.

In addition to the donations mentioned above we have received trees, shrubs and valuable gifts from many citizens of Sycamore and from friends at a distance, who are still interested in their home town. Among the gifts being the deed for 2.43 acres of land

from St. Alban's School and a large steel flag pole from Fred Waterman, this flag pole has not yet been set up but will be in the spring and will make a nice beginning for the improvements of 1926.

In connection with the above report and in view of the fact that we have had the hearty cooperation of the public, we the members of the park board wish to publicly express our appreciation and extend our heartiest thanks to all who have in any way supported or expressed appreciation

for what was being done, and we sincerely hope that the park may in time, fully meet your highest expectations.

We ask for your kind indulgence while we are endeavoring, with rather limited means, to promote that which will, we hope, in time be a real park which will be enjoyed not only by the citizens of Sycamore but by many people of surrounding communities."

The Sycamore Park Board, by S. M. Henderson, Secretary, dated Feb. 1, 1926.

Park's progress report presented

SYCAMORE — The following is a progress report of the Sycamore Park District throughout the years:

- Established in 1923 with a current population of 13,500 and a total of 320 acres maintained.
- In 1934 the first community swimming pool was built at an estimated cost of \$21,600. The Works Progress Administration (WPA) provided laborers for the construction.
- Forty-nine years later, in 1984, the district opened a new swimming pool complex on the original park land at a construction cost of \$944,000 of which \$500,000 was raised by the park district through private and industrial donations.
- Following development of the new swimming pool complex, the bathhouse of the old pool was developed into a golf clubhouse, locker rooms, and remodeled pro shop. All work was completed by 35 senior volunteers. Construction costs to the facility were \$85,000. The building was again renovated in 1996 at a cost of \$425,000 to its current pro shop, clubhouse and administrative offices.
- In 1960 the park district purchased two acres of land on the north side to be developed as a neighborhood park site. In 1970 Mary Wetzel donated \$20,000 to the district for development of the site. Today Wetzel Park consists

of a playground, two tennis/basketball courts, shelter, seasonal ice rink and a softball field.

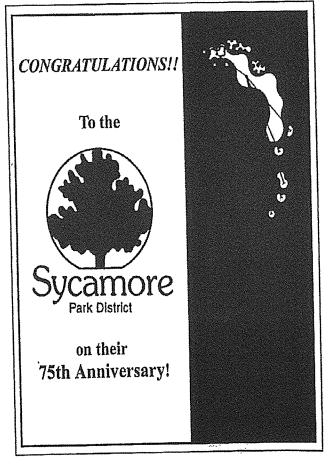

- In 1970 the district ventured into its largest land acquisition to that point in history, directly to the east of the original park. This 85 acre parcel was originally an airport. Seven acres of frontage property and buildings were traded for 14 acres to the south of the property along the Kishwaukee River to complete the site. In 1975 the district contracted with a professional planner to have a master plan developed for the area.
- Through an attitude and interest survey it was evident for the need of a baseball facility in the first phase of development of the property. A very enthusiastic and hard working group Sycamore residents undertook the task of developing a baseball complex. The park district allocated \$45,000 for the land development and lights. All other materials and labor for the eight baseball diamonds (four with lights), a concession stand and maintenance building were the results of these efforts. Project estimates for the facility were \$150,000.
- The second phase developed by the park district for the sports complex was a playground and landscaping near a one acre fishing pond. Other development to the area included three picnic shelters donated by service clubs and families, a toboggan hill built by

a service club, 10 soccer fields, a golf driving range and four softball fields.

- The park district also leases two four-acre park sites from the city of Sycamore called Brothers Park and Kiwanis Park, which includes playgrounds and baseball diamonds. Also, the district owns one pocket park named Larson Park with a small playground.
- In 1979 the Sycamore Park District and the DeKalb Park District joined forces to create the DeKalb Sycamore Association of Special Recreation (DSASR) to offer recreational oppor-

tunities to those with special needs.

- The park district has changed its bonding practices in 1995, by discontinuing issuing seven to 11 year rollover bonds of approximately \$150,000 at a 30 percent interest to principle to a two-year 7 percent interest to principle. Savings to the district on the 10 year of bonds prior to the change would have been over \$300,000.
- A cash ordinance with the city of Sycamore for cash donations at final plate time for all new subdivision development to be given to
- · See PROGRESS, Page 10

Continued from page 9

the park district for acquisition of new park land and park development was completed in August of 1996.

 In 1996 the Sycamore Park District successfully negotiated with the city of Sycamore to take over the responsibility of the city's recreation commission and assume their levy for those services. The process of merging common services had been negotiated for over 20 years and has brought the district its first superintendent of recreation and greatly improved the offerings of programs and services offered through the 70year-old Community Center.

 Golf course master plan to address flooding problems on the course as well as playability changes was completed in May of 1996. • In 1997, as a result of the acquisition of the old recreation commission's Community Center, the district has created a conceptual plan for a new Community Center.

This process has resulted in a plan designed with public, board and staff input. Currently, the district has begun the process of fund raising for the new building estimated to be built around the turn of the century.

• In 1997 and 1998, the district has developed an eight acre park in cooperation with the local school district's new 12 acre elementary school site. The new park consists of two soccer fields, two tennis and basketball courts, playground area, shelter and one softball diamond. The park will be open in 1998.

Sycamore Park Board members listed

- W. M. McAllister, 1923 to 1947
- Harold V. Engh, 1923 to 1930, replaced by J. C. Joslyn in November of 1930.
- A.E. Hammerschmidt, 1923 to 1932, replaced by Dr. Ovitz in January.
- A. B. Gochenhour, 1923 to 1937, resigned and replaced by Mrs. Emilie Halsted.
- Rev. James O'May, 1923 to 1926 replaced by Mrs. M. F. Carlson in May.
- Mrs. Charlotte Carlson, aka Mrs. M. F. Carlson, 1926 to 1937
- Dr. J. W. Ovitz, between 1933 to 1943, replaced Hammerschmidt in 1932.
- J. C. Joslyn, 1930 to 1936, replaced Engh in 1930, elected in 1935 and was replaced by Slezak in June 1936.
- Thomas B. Jones, between 1937 to 1939.

- replaced by Mrs. Emilie Halsted until 1943.
- Mrs. Emilie Halsted, 1939 to 1943
- John Slezack, 1936 to
- Walter H. Wylde, 1937 to 1948, replaced by M. J. Maertz in November 1948.
- Vernon R. Wetzel, 1943 to 1952, Mabel appointed to replace in November 1952.
- Mrs. John F. Eggers,
 1943 to 1949
- Noble Henderson, 1947
 to 1959
- Dr. H. J. Trapp, 1947 to 1977
- M. J. Maertz, 1948 to 1967, replaced Wylde in 1948 and elected in 1949.
- B. E. Holub, 1949 to 1967
- Morris Mabel, 1952 to 1969, replaced Wetzel in November 1952 and elected in 1955.

- Stanley I. Gullberg, 1959 to 1965
- Harold B. Johnson, 1965
 to 1971
- Alvin O. Wildenradt,
 1967 to 1979
- Richard F. Wagley, 1967 to 1979
- Ann H. Millet, 1969 to 1975
- John H. Boies, 1971 to 1995
- Patrick G. Burkart, 1975 to 1992
- Janet L. Miller, 1977 to 1983
- John Henne, 1979 to 1995, elected to 4 year term to replace Carnahan in 1985.
- Jane Cradduck, 1981 to 1983
- Virginia Carnahan, 1983 to 1984, resigned in November 1984 since she moved out of district.
- Dr. Paul M. Stromborg,
 1984 to 1991, appointed Oct.

- 16 to replace V. Carnahan, elected in 1985 and chose not to seek re-election in 1991.
- Dale Remala, 1985 to 1997, reelected to six year term in 1991.
- Gayle Braffett, 1991 to 1997
- Steve Alexander, 1992 to 1993, appointed 1992 to complete Paul Stromborg term.
- John Strain, 1993 to present
- Larry Steczo, 1995 to present
- Marlyn Burkart, 1995 to present
- Joseph F. Arundel Jr.,
 1997 to present
- John Wittrup, 1997 to present

SYCAMORE PARK DISTRICT DEVELOPMENT

Established in 1923 Population 9500 Total acreage maintained 220

The original park land of one hundred thirteen acres was donated to the Sycamore Park District by William M. McAllister in 1925. This land included a nine hole golf course, which today is an eighteen hole par seventy-one course.

In 1934 the first community swimming pool was built at an estimated cost of \$21,600. The Works Progress Administration provided laborers for the construction. Minutes from 1935 stated the pool opened in June of that year; admission costs were 25¢ for adults, 10¢ for children, and \$1.00 for a family pass. Staff salaries at that time were \$100 a month for the head life guard, \$75 a month for the assistant guard, boy's and girl's basket attendants made \$60 a month.

Forty-nine years later, in 1984, the District opened a new swimming pool complex on the original park land at a construction cost or \$944,000 of which \$500,000 was raised by the Park District through private and industrial donations.

Following development of the new swimming pool complex, the bathhouse of the old pool was developed into a golf clubhouse, locker rooms, and remodeled pro shop. All work was completed by thirty-five senior volunteers. Construction costs to the facility were \$15,000.

In 1960 the park district purchased two acres of land on the north side to be developed as a neighborhood park site. In 1970 Mary Wetzel donated \$20,000 to the District for development of the site. Today Wetzel Park consists of a playground, two tennis courts and a Little League baseball field.

In 1970 the District ventured into the largest land acquisition, directly to the east of the original park. This eighty-five acre parcel was originally an airport. Seven acres of frontage property and buildings were traded for fourteen acres to the south of the property along the Kishwaukee River to complete the present site. In 1975 the District contracted with a professional planner to have a master plan developed for the area. Through an attitude and interest survey it was evident for the need of a baseball facility. A very enthusiastic and hard working group of Sycamore residents undertook the task of developing a baseball complex. The Park District allocated \$45,000 for the land development and lights. All other materials and labor for the eight baseball diamonds (four with lights), a concession stand and maintenance building were the results of these efforts. Project estimates for the facility were \$150,000.

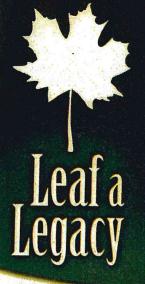

The second phase developed by the Park District was a playground and landscaping near a one acre fishing pond. Other development to the area includes three picnic shelters donated by service clubs and families, a toboggan hill built by a service club, six soccer fields, and a golf driving range. Current plans include four softball diamonds and expanding the parking.

SYCAMORE PARK DISTRICT DEVELOPMENT Page 2

The Park District also leases a four acre park site from the City of Sycamore located on the west side called Brothers Park, which includes a playground, baseball and soccer fields.

In 1983 the Park District purchased from the City a twelve acre parcel of land that serves as a flood detention area. This area is currently undeveloped. Adjacent to this land is a quarter block of land that is leased from Cooper Industries that has play equipment on it.

Since 1923 the Sycamore Park District has been the recipient of many charitable cash and special gift donations from local families and businesses. Most recently a local family donated \$48,000 to go towards the development of a miniature golf course to be built next to the swimming pool complex.

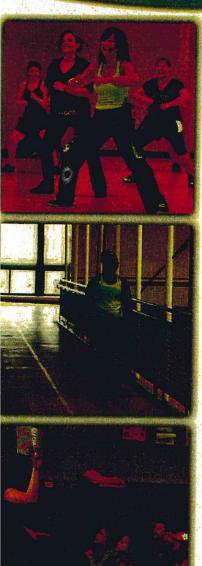

Help create recreational opportunities for your community and leave your legacy with the Park District.

The Sycamore Park District is leading the community on an exciting journey to provide residents with the recreational opportunities they seek, need and deserve. With your financial contribution, you will Leaf a Legacy for today and generations to come.

Turn your \$1 into \$150

A donor has pledged to match 50% of your donation up to \$300,000!

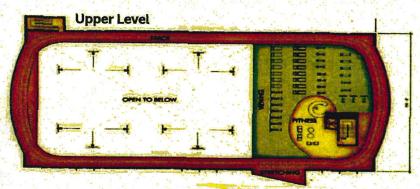

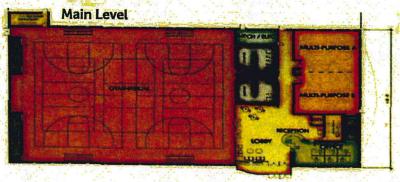

The Healthy Heart of Sycamore...

New Sycamore Park District Community Center

In its 92 year history, the Sycamore Park District has never had its own designated programming space. This community center not only represents a much needed physical location for recreational opportunities, it represents the heart of Sycamore. It will be a place for residents to gather, maintain a healthy lifestyle and broaden their horizons.

This multi-use facility will cater to all residents by giving staff the flexibility to provide diverse recreational opportunities for a growing community.

ACTION 2020 - Launching a Legacy

Community Center • Dog Park • Splashpad • Sled Hill • Trail Connection & Expansion • Golf Course Irrigation • Sports Complex

100% Chance of Fun - for all Seasons!

Recreation Campus

This recreation campus keeps the fun flowing year-round with a dog park, sled hill and splashpad Within close proximity to the community center and parking, these self-guided recreational opportunities will be accessible to all.

What's better than a playground? A water playground! The **splashpad** will keep kids cool and engaged. This splashpad will provide a great gathering place for families and friends in the summer months.

Family fun will fly! A **sled hill** offers priceless fun with little maintenance cost and no admission fees. This good old fashion winter fun will allow kids (and adults) to be kids!

The **dog park** will provide a safe clean space for our four legged community members to recreate with their people.

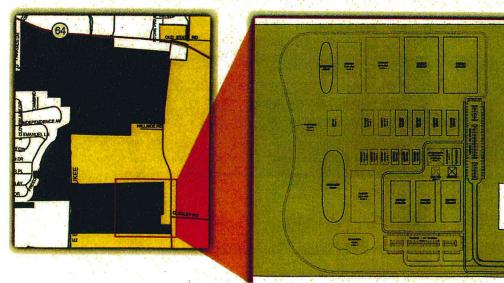

Sycamore Sports Complex Expansion

Since 1970, the Sycamore Park District's Sports Complex has provided a place for young athletes and their families to learn and play. Over time, the type and number of organizations that use the space has expanded dramatically. Each season, the Complex accommodates baseball, softball, soccer, football, rugby, cross country, private rentals and special events - it's bursting at its seams! In addition to serving Sycamore's fast-growing family demographic it has become a popular destination for regional tournaments that bring families in need of accommodations.

To continue providing a safe, well-maintained facility that nurtures youth athletics and family togetherness, the Park District will expand the complex and reconfigure parking for safety and convenience.

A new soccer complex will be added south of the Sports Complex. Once complete, the soccer fields within the existing Sport Complex will be turned into baseball/softball diamonds.

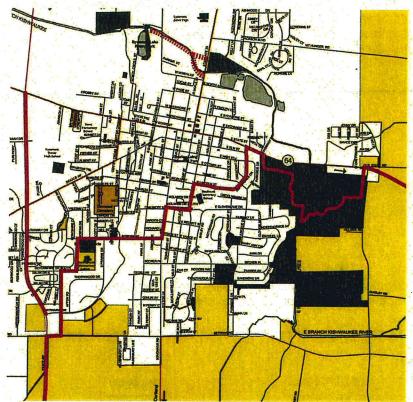

Keeping a Growing Community Connected

Trail System Expansion and Connections

In recent years, Sycamore residents have expressed an interest and a need for trail development and connections. As the city's population grows and residential areas sprawl, trail systems offer a safe way to make local parks, businesses, friends, families and a healthy lifestyle accessible to all.

Expanding Sycamore's trail system also gives residents easy access to the Great Western Trail which runs from Sycamore to LeRoy Oaks Forest Preserve in St. Charles. This seventeen mile stretch of an abandoned railway corridor has been repurposed into a biking and pedestrian trail with asphalt and crushed stone surfaces – a gateway for commerce, recreation and fun!

In addition to small trail systems within parks, the red line show marked bike paths throughout Sycamore.

Existing Bike Paths

First ACTION 2020 Trail Expansion Segment
Main Street to Brickville Road.
In cooperation with CUSD #427,
this will create safe routes to school.

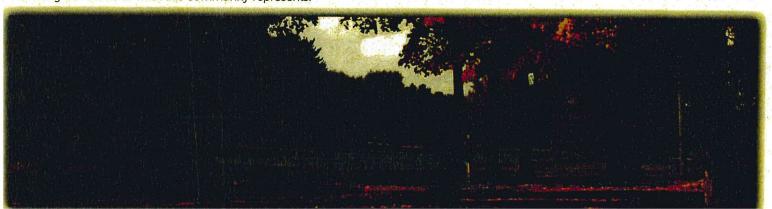

Second ACTION 2020 Trail Expansion Segment Old Mill Park to Sycamore Community Park

Sycamore's Crown Jewel

Sycamore Park District Golf Club Irrigation System

Golfers and non-golfers alike cherish the Sycamore Park District Golf Club as an icon of Sycamore's landscape for its history, beauty and golf game. As a result of its superb maintenance and customer service, this course has been seeing high use since its creation in 1924.

rrigation is the basis of all course maintenance and the current system has exceeded the industry's standard lifespan to a point that eplacement parts are no longer available. The time has come to make a financial investment in Sycamore's crown jewel and set an example or future generations of what this community represents.

Naming Opportunities

As the District gets closer to accomplishing its ACTION 2020 initiatives, there are many opportunities to recognize those whose contributions went above and beyond. Naming and sponsorship rights are not only a way to recognize large financial contributions now, but also for years to come. They represent the individuals and groups who chose to make an investment in the ACTION 2020 legacy and in Sycamore.

Naming Rights

50% funding of a facility or amenity

- Donor provides a name of their choosing
- Name remains in place for at least the duration of the facility or amenities useful life

Sponsorship Rights

12.5% funding of a facility or amenity

- Donor will be recognized with "Sponsored by (donor's name)" associated with the facility or amenity
- Name remains in place for at least the duration of the facility or amenities useful life

ntain what we currently have at its current level of care.	Assigned	Date	Status		
: Maintain Park District records in organized fashion			Status		
O1: Have an electronic file of all District ordinances and resolutions.				-	
A1: Determine format for electronic file for consistency	JH	Oct-16	Completed	-	
A2: Review work already done to make sure files are manageable. Staff was having problems with some of the conversion from	JH	Nov-16		=	
PDF to Word. (by Nov. 1) - Jackie			Completed		
A3: Add any new ordinances and resolutions to master file.	AB	Dec-16	Completed	-	
A4: Develop a procedure to ensure future ordinances and resolutions are immediately added to electronic file.	JH	Jan-17	Completed	-	
A5: Pull manual records as far back as can locate, scan and consolidate.	AB	Mar-17	Completed	2020 began training FT Customer Service staff on	continued consolidation.
A6: Determine if any missing documents and determine if obtainable by the county.	JH AB	Apr-17	Initiated	JH has list of missing. Need to see if able to track down.	Some records found. Need to circle
A7: Semi-annually review electronic file to ensure current	JH	Jul-17	ongoing	_	-
O2: Establish a written records retention policy.				_	
A1: Complete inventory of current records for the state.	JF	Jan-17	completed	<u>-</u>	
A2: Request State to review for disposal/retainage guideline	JF	Feb-17	completed		<u>-</u>
A3: Develop policy based upon state recommendation	JH	Mar-17	initiated	In pieces. Need to formally document. Just received approval to dispose	
A4: Pull records and set up for disposal	JF	May-17	Initiated	In pieces. Need to formally document. Just received approval to dispose	Records disposed of Sept 2018
A5: Each odd year going forward, send request to state for disposal based upon 3.	JF	Feb-19	delayed		-
2: Enhance appearance of clubhouse landscaping				-	
O1: Consult with professional landscape design company to determine budget for design and install.					_
A1: By end of October of 2016, consult with design firm for basic overview and general cost estimate for removal and install of	JD ST	Nov-16			
plant material to form more formal look on the east side of the clubhouse and more formal natural look to the west bed.			Completed	Ideas from Blumen Garden	
	JD ST	2017			=
A2: Determine man hours needed for in-house portions of new landscaping based on professional input and staff consultation					
to determine if some portions of project can be done in-house with current staff. Maintenance of beds possible to combine with					
future park maintenance seasonal positions maintaining new community center landscape beds.					
			Completed	in-house did clean out of beds	
A2. After collecting data, hydret for staffing or possible professional installation in 2017 or 2019	JD ST	2017		new position in 2019 to address more changes -	
A3: After collecting data, budget for staffing or possible professional installation in 2017 or 2018.			Start for 2019	Nicholas working on with staff	_
3: Maintain a welcoming and pleasant atmosphere at the clubhouse for all patrons.				_	
O1: Keep inside of clubhouse clean and inviting.					-
A1: Develop a procedure and checklist for concessions staff to ensure that proper cleaning is being done.	MD		completed	Fall 2017	-
A2: Obtain quotes for replacement of carpeting. (Fall 2016) Budget replacement (Spring 2017)	MD		completed	Feb-17	-
A3: Have doors (admin and clubhouse) tinted.	JH	Spring-17		_	
A4: Add signage to assist patrons (restrooms, pro shop, operating hours)	KL JD MD		completed	_	
A5: Have HVAC company come in and evaluate and make recommendation to improve system in clubhouse. Obtain quotes (by	JB	Spring-18			
Dec 2016) and have work completed (by Spring 2018) depending on budget.			-		
4: Take care of equipment in order to extend life and minimize "downtime"					
O1: Make concessions staff responsible for upkeep on the beverage carts.				_	
A1: Develop checklist for staff to use when taking out and putting away cart. Checklist to include basic maintenance items such	MD	Feb-17			
as checking oil and gas.			completed	-

: Add 6 ball fields and maintain them in addition to the existing 12 fields.				
Have done some timing this season for staff to mow, prep ball fields.				_
01: Compute staff time to drag infield, chalk lines and boxes as a daily maintenance act.			Completed	_
A1: Timed two staff members as they drag/chalk fields 2,3,5-7 and 4. Current time for these six fields is almost 1.5 hours per	BP TB	Spring-17		
employee dragging, and 1-hour chalking including drive time so 2.5 man hours for six fields per daily field prep.				
				<u> </u>
O2: Compute staff time for weekly tasks like mowing, trim mowing, line painting. All below completed fall 2016 by Jeff/Bounie/Tyler			Completed	
A1: Timed one staff member mowing same six fields with 16' deck mower. Current time of 65 minutes observed. Surrounds	JD BP TB	Fall-16		_
outside fence add another 20 minutes for 85 total currently.				
A2: Timed one staff member mowing between fields and along fences on same fields with 6-foot trim mower. Current weekly	JD BP TB	Fall-16	_	
time of 70 minutes to mow and another 30 minutes to weed eat needed areas.				
A3: Time staff member to paint foul lines for 6 fields. Current time of 40 minutes observed.	JD BP TB	Fall-16	_	
·	JD BP TB	Fall-16	_	
A4: Time staff to add ag-lime monthly to fields, drag and level. Complete by end of September when new material is added.	םו וט ט,		_	
A5: Timed staff to roll six fields of equal size of proposed is 75 minutes done bi-monthly.	JD BP TB	Fall-16		<u> </u>
O3: Use man hour data and compute total hours for six new fields.			Completed	<u> </u>
A1: By the end of May 2017, when all user groups have completed some games, calculate total games played on six fields by	BP TB	May-17		
staff time needed for daily, weekly, and monthly care of fields to provide total time needed to maintain six new fields of similar				
staff time needed for daily, weekly, and monthly care of fields to provide total time needed to maintain six new fields of similar size. Can then use current staff pay data to determine cost of labor for fields.				<u></u>

9

A1: Have measured chalk used to prep fields 2,3,4,5,6,7. Curre	ntly use 2.5 bags on average to chalk 6 fields of proposed size on	JD	Mar-17	•
average per day of use. By end of March 2017, calculate frequer	ncy of chalking for these fields based on current user group			
schedules and total cost based on current \$5.50 per bag expense
