6-5 Policy on Employee Assistance Program

SYCAMORE PARK DISTRICT realizes that personal and work-related problems can affect an employee's job performance, health, family, and emotions. To help with these issues, an Employee Assistance program (EAP) is available to all full-time employees and their families.

The District has contracted with PDRMA's (Park District Risk Management Agency) partner to provide the Employee Assistance Program (EAP). The EAP is a resource for employees during a stressful time to help them balance work and daily tasks and to provide legal and/or financial guidance. The EAP is a free and confidential service available to employees and anyone in the employee's household, regardless of whether the employee enrolled the family member in the medical plan.
