

Bill Kroeger

Board Member Since 2012

I wanted to get involved with the Park District a number of years ago when I felt there wasn't a plan for our expanding town. Since then, the Board of Commissioners has evolved with clear visions for future plans that will run parallel with our expanding community.

What is your favorite park and why?

Wetzel Park - I've always liked how this is nestled into the neighborhood. It seems to always be active with children on the playground equipment, teens playing basketball and adults enjoying the tennis courts.

What do you want residents to know about the Sycamore Park District?

Our community has 18 parks and staff does a great job working hard to keep them all maintained. There are a number of residents that only think of the Sports Complex, Golf Course or Swimming Pool as the main attractions. I believe most residents would miss the community parks and trails the most if these were not established over the past 90+ years.
