

Denise Ackmann

Board Member Since 2021

“

I am honored to serve the Sycamore community as a park board member. As a longtime resident of Sycamore I have enjoyed everything the park district has to offer through many seasons of life. I was part of a citizen advisory committee to help plan for the splash pad. It was really incredible to see the hard work of the park district staff and the amount of care and consideration the board put into decision making. I look forward to helping shape the future of the park system and to being a steward of the community.

What is your favorite park and why?

My favorite park growing up was the main park near the Good Tymes shelter. I love to run the trail back there today. I have made wonderful memories with my own kids at Wetzel Park. It has something for all ages!

What do you want residents to know about the Sycamore Park District?

I hope residents know that their input and feedback is valued and respected. Park district staff members and board members truly are invested in enhancing our community through parks and recreation. I want all residents of Sycamore to know that the parks, trails, facilities, and programs are for each and every one of us to enjoy!
