

Dear fellow beer, wine, whiskey, and food lover!

In recent years Northern Illinois' growing community of craft spirits, unique food, and artisans of all types have enhanced our neighborhoods, excited residents and visitors alike, and helped enrich our sense of place – *thank you for being a part of that!*

This summer, the Sycamore Park District wants to bring it all together at the inaugural Sip 'n' Savor Taste event. We would be honored for you to be a vendor and share your passion as guests taste their way through the park sampling local libations and enjoying culinary creations.

The event will be held Saturday, July 9 from 11am-5pm at Sycamore Community Park, 940 E. State Street, Sycamore, IL. It is a public ticketed event supporting projects at the Sycamore Park District.

As a vendor you will receive:

- Logo displayed at the event and in the event program.
- A chance to interact with 200+ event attendees.
- Logo and/or name on event website and promotional materials if committed by June 1.
- Social Media recognition on the Park District social media (6,400+ Facebook and Instagram followers plus a regional reach through sponsored ads).
- The joy of sharing the best food and drink in Northern Illinois with friends.

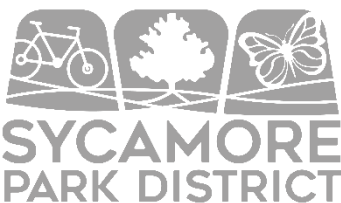

Please see the attached vendor commitment form and return it by email to jonelleb@sycparks.org by June 17. Once processed you will receive information about making any applicable payments. If you have any questions or would like additional information, please call Jonelle at 815-895-3365. Thank you for your participation and support!

Vendor sponsorship opportunities include:

- Logo on wristbands \$100
- Logo on commemorative tasting glasses \$350

Sincerely,

Jonelle Bailey
Sycamore Park District Executive Director
